Strategic Resources Stakes Additional Rare Earth Claims

For Immediate Release

TSX.V: UVR

March 16, 2010, Regina, Saskatchewan – Strategic Resources Inc. (“UVR” or “the Corporation”), is pleased to announce that additional lode claims have now been staked in the Gallinas Mountains area of Lincoln County, New Mexico. The Rare Earth mineralization potential of the Gallinas Mountains was thoroughly studied by the US Dep’t of the Interior in the 1990s. These additional claims staked encompass several highly prospective breccia pipe areas studied by the US Dep’t of the Interior. Strategic Resources’ claim holdings in the Gallinas Mountains now total 900 acres, making Strategic the largest claim holder in the Gallinas Mtns area.

About Strategic Resources

Strategic Resources is a Canadian based junior exploration company with uranium/vanadium exploration projects in Catron County, New Mexico and Apache County, Arizona as well as rare earth exploration projects in Lincoln County and Socorro County, New Mexico. More information about the company is available on line at www.strategicresourcesinc.ca.
